

ADDENDUM – 01

(Inclusion of Cement, Reinforcement Steel and Structural Steel)

Project: GKEL Expansion Project, Odisha

Package: BTG Civil Package

Original Tender Floating Date: 13th March 2026

1. Purpose of Addendum

This Addendum-01 is issued to modify and clarify certain provisions of the earlier floated tender for the **BTG Civil Package** for the **GKEL Expansion Project at Odisha**. The addendum shall be read in conjunction with the original tender documents and shall form an integral part thereof.

2. Cement, Reinforcement Steel and Structural Steel

It is hereby notified that **Ordinary Portland Cement (OPC)/Portland Pozzolana Cement (PPC)** and **Reinforcement Steel (TMT bars / structural steel as applicable)**, which were earlier envisaged as **owner-supplied / free-issue materials**, shall now be **included in the Contractor's scope of supply**.

Accordingly, the Contractor shall be responsible for:

- Procurement, transportation, handling, storage, and protection of cement and steel
- Compliance with applicable IS codes, approved makes, and technical specifications
- Quality assurance, testing, and certification.
- Approved vendor list for steel and cement to be provided.
- Prevention of damage, deterioration, or pilferage – including tangible and intangible losses.
- All statutory requirements including royalties, GST, and other applicable taxes

3. Commercial Implications

- Bidders shall **include the cost of Cement, Reinforcement Steel and Structural Steel** in their respective price bids.
- Rates quoted shall be **firm and inclusive** of all costs associated with procurement and utilization of the said materials.

- No separate payment, reimbursement, or price adjustment shall be admissible on account of cement and steel unless otherwise provided under the Price Adjustment clause (if applicable).

4. Amendments to Tender Documents

The following sections of the tender documents shall stand modified to the extent stated below:

- **Scope of Work:** Cement, Reinforcement Steel and Structural Steel are added to the Contractor's scope.
- **Bill of Quantities (BOQ):** Unit rates shall be deemed to include cost of cement and steel.
- **Special Conditions of Contract (SCC):** Clauses related to free-issue materials shall be treated as deleted / not applicable for cement and steel.

All other terms, conditions, technical specifications, and drawings remain **unchanged**.

5. Bidder's Acknowledgement

Bidders are required to:

- Acknowledge receipt of this Addendum-01
- Consider the above changes while preparing and submitting their bids
- Confirm compliance through a declaration in the Techno-Commercial Bid

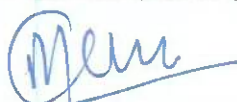

Failure to account for this addendum shall be at the bidder's own risk.

6. Prevailing Clause

In case of any conflict between this addendum and the original tender documents, **the provisions of this Addendum-01 shall prevail.**

Issued by:

For and on behalf of GKEL

Manoj Kumar Mishra
